VILLAGE OF MICELY

The mice of the Village of Micely love ornaments and are very excited to be attending this year's warehouse sale. Their bags are packed and they're making the trek to Kansas City!

In their luggage, they're bringing some of their own ornaments, along with a couple of special ones JUST for the day of the sale.

The Village of Micely is a limited collection of small ornaments for your tree, or with your personal creative touch, as a village display. Each mouse is hand-sculpted traditionally with detail in mind, individually cast and brush-painted by hand in the United States. Our mice hope to delight you with honest hand-crafted quality and charm you with unique, individual personality.

Meet artist Tim Allen, creator & sculptor of the Village of Micely residents. Tim will sign each mouse purchased including EXCLUSIVE mice created especially for this event.
