

## Kiddie Car Classics Collection

Die-cast metal cars with intricate detailing, the Kiddie Car Classics Collection was loved by car enthusiasts and Hallmark collectors alike. The collection also included Sidewalk Cruisers, the Kiddie Car Corner Collection (which featured buildings and accessories) and a "Mini" line that featured smaller scaled cars. The full size Kiddie Cars are approximately 7"+ long and the Minis are approximately 4" long. The line ran from 1992-2002.
